

Ill. C.C. Docket No. 04-0653
IITA's Data Requests Nos. 1.01 – 1.48
Dated: December 23, 2004

Request: 1.24

Question: If U.S. CELLULAR is designated as an ETC for one or more of the study or service areas set forth on Exhibits C and D to the Petition filed herein, will U.S. CELLULAR agree to be subject to the applicable requirements that other ETCs are subject to of 83 Ill. Adm. Code Part 732 – Customer Credits for local exchange telecommunications carriers with regard to its provision of all services and service offerings for which it seeks ETC designation and/or federal universal service support?

Response: U.S. Cellular objects to this request as being beyond the scope of discovery. U.S. Cellular declines to negotiate through data requests. The IITA should feel free to contact U.S. Cellular's counsel to discuss any settlement issues.
